- Entering Prior School Info
- Selecting Student's Grade Level
- Entering Education Plan
  - Typical subjects for plan
  - "OTHER" button if curriculum not listed
  - · Scrolling down to see lines for more courses
- Reviewing Terms and Conditions
- Submitting application
- Applying for more students
- Finishing application(s)
- Entering payment information

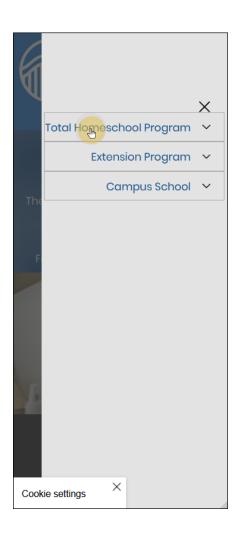

Yes, that's actually the name for these three-line menu buttons!

# Click "Total Homeschool Program."

# **Click "Register Now" button.**

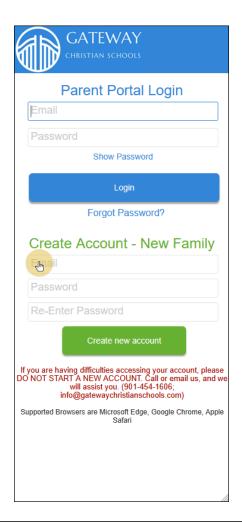

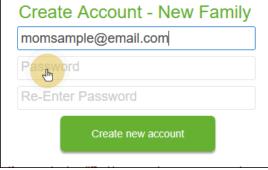

4 Under "Create Account," click to enter email, and create and enter a password.

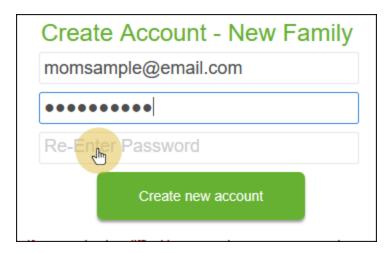

You'll need this information to login, so keep it in a safe, accessible place.

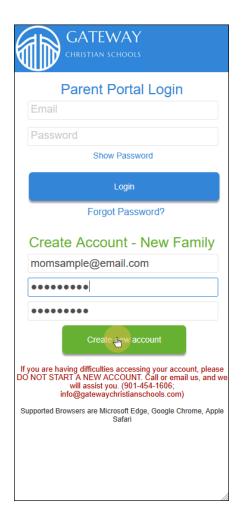

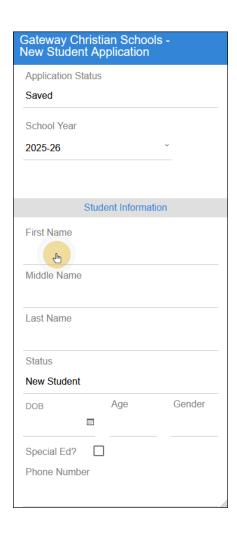

5 Click "Create new account" button.

# **Click to enter student's First Name.**

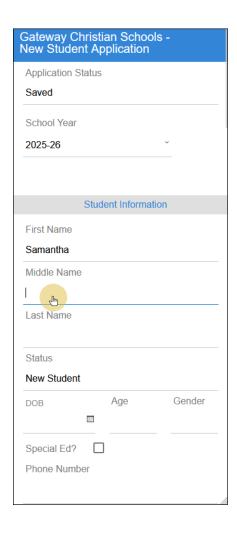

## **Click to enter student's Middle Name**

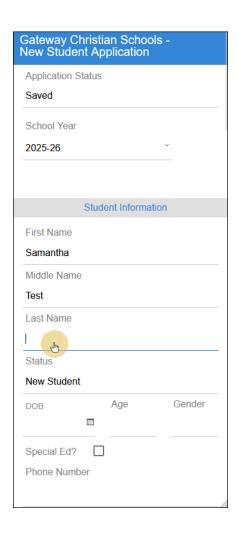

If student has no middle name, please type N/A for "Not Applicable."

## **Click to enter student's Last Name**

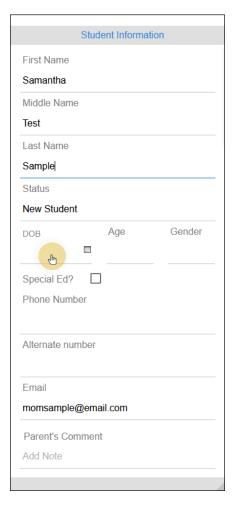

9 Click to enter student's date of birth

Enter date in this format: mm/dd/yyyy

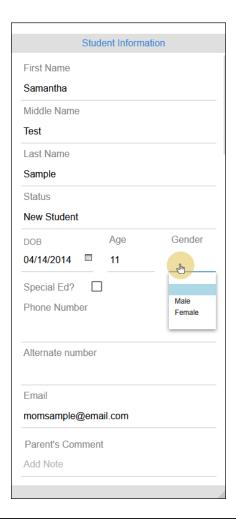

## Go to Index

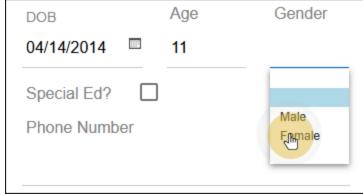

Age will be automatically calculated and entered by the system.

10 Click to open menu and select correct gender.

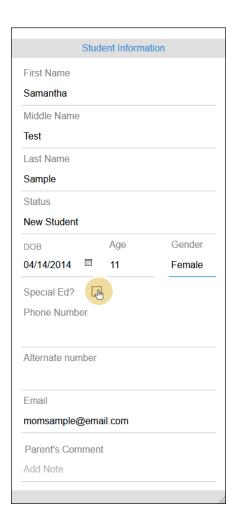

# Click check box if student is a Special Ed student.

In our program, Special Ed means the student is UNABLE to work at grade level. Even if the student has a diagnosed difficulty or an IEP, they are NOT special ed in our program if they'll be doing their studies at grade level.

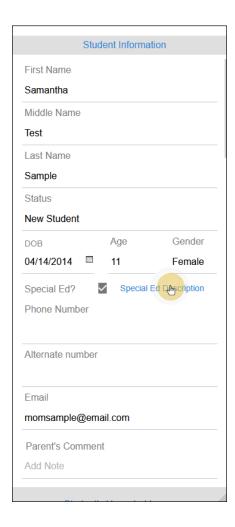

# **Click "Special Ed Description"**

Required if special ed is checked.

# 13 Click in popup box to enter more information.

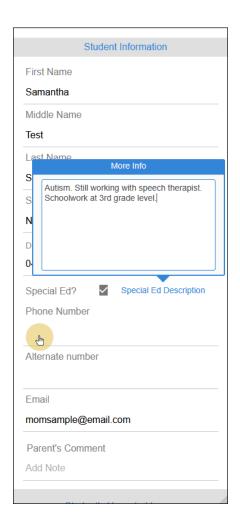

Include information like the student's diagnoses, disabilities, other special needs, actual grade level of school work, etc.

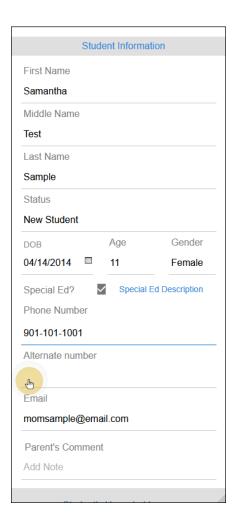

# **Click next line to enter primary Phone Number.**

# 15 Click to enter Alternate phone number

# Scroll down and click to enter comments about family and/or student.

This is optional.

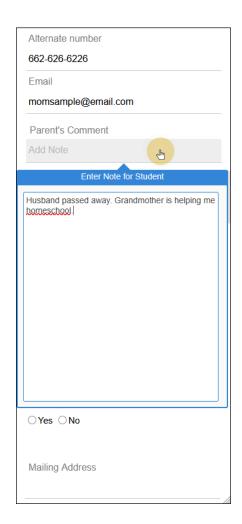

# Click in popup box and enter any notes.

18 Click outside of popup box to close it.

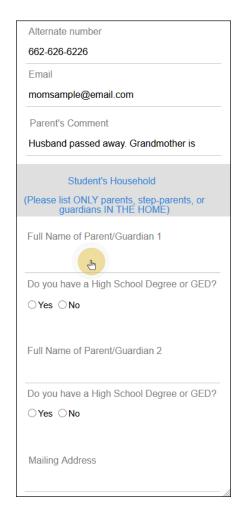

## Click to enter name of Parent/Guardian 1

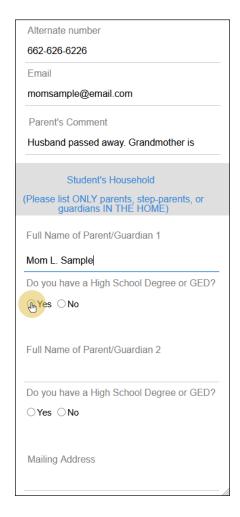

Typically, this is the parent most involved in the homeschooling.

# Click the correct bubble to indicate high school education of parent/guardian 1.

## Scroll down and click to enter name of Parent/Guardian 2.

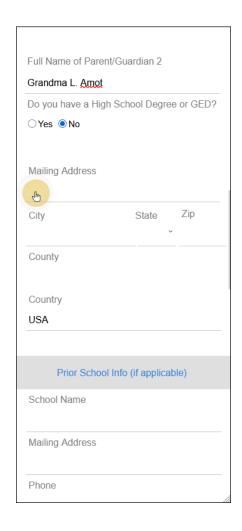

# Click the correct bubble to indicate high school education of parent/guardian 2.

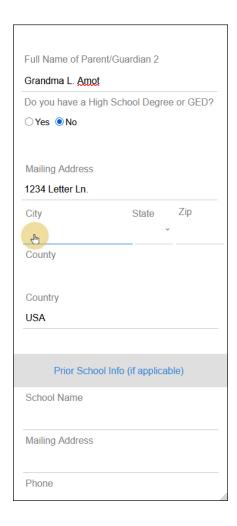

## Scroll down and click to enter street address.

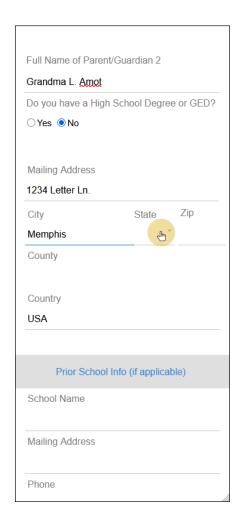

# 24 Click to enter City.

25 Click to open menu for tate.

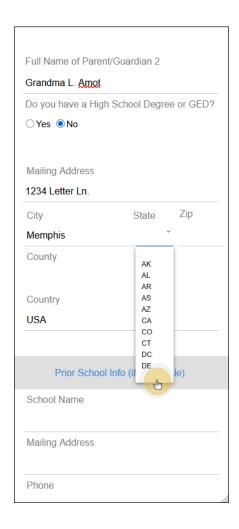

To scroll down in menu, click in middle of blank area at bottom.

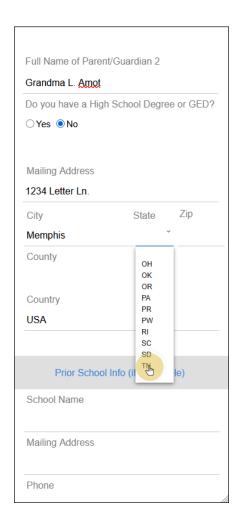

Continue clicking until state you need is visible in menu.

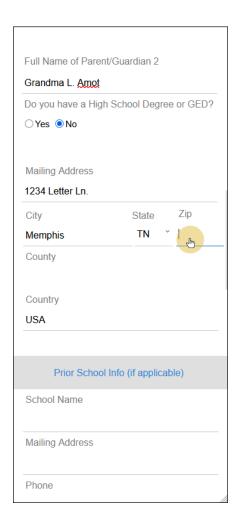

## **Click correct state abbreviation.**

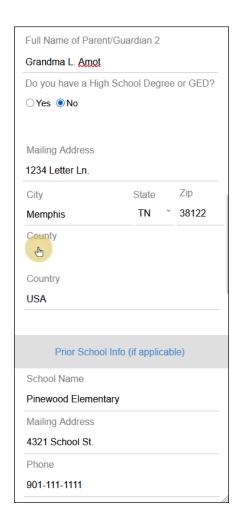

# 28 Click to enter Zip code

# **Click to open menu for County.**

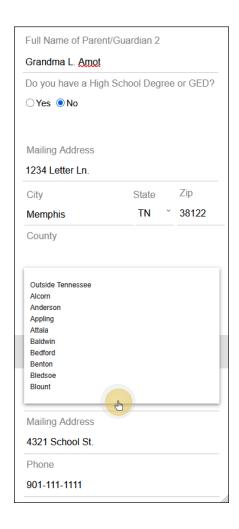

To scroll down in menu, click in middle of blank area at bottom.

Continue clicking until your county is visible in menu.

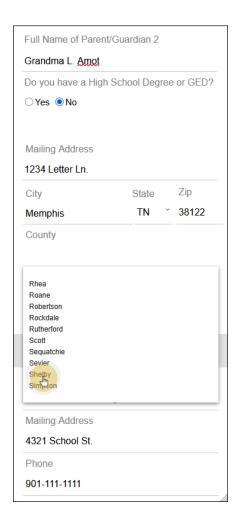

## 31 Click to select correct county.

If you're not in Tennessee, click "Outside Tennessee."

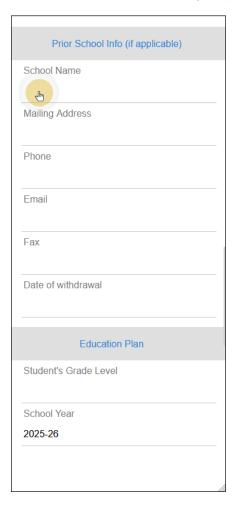

## Scroll down and click to enter Prior School Information.

Enter this information only if student is transferring from another school this year.

## Go to Index

Provide as much information as you can. Email and fax are especially helpful.

33 Scroll down, click to open menu, and select correct Grade Level.

This is the grade that you're applying for.

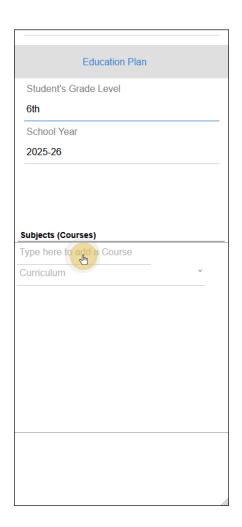

34 Scroll down and click to enter name of 1st Subject (Course).

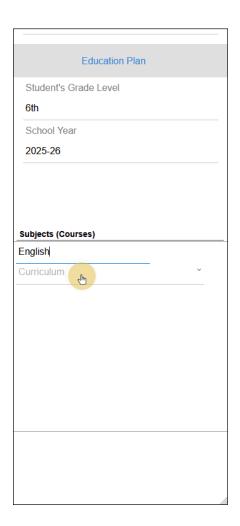

Typical core subjects for 1<sup>st</sup> through 8<sup>th</sup> grade students are: English (Language Arts), Math, Science, and Social Studies (History and/or Geography).

# Click to open menu for Curriculum/teaching materials.

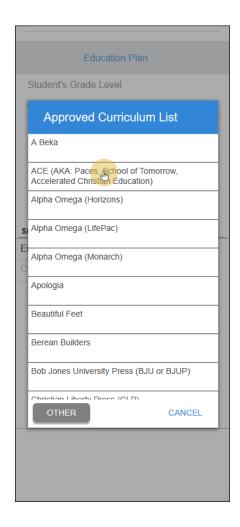

Click to select correct curriculum.

If material isn't listed, click the "Other" button and type in the curriculum. If book(s), please provide title and author/publisher.

## Click checkboxes to select semesters.

K-8 core subjects are typically year-long courses, so applications for those grade levels should select both fall and spring semester boxes (if enrolling at the beginning of the year).

## Go to Index

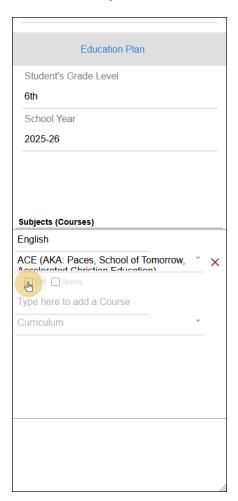

To skip detailed instructions on entering each subject, go to Step #48.

For specific questions, see below.

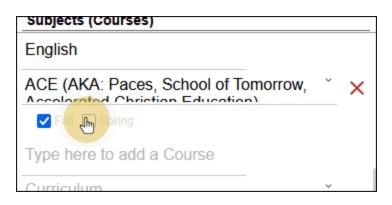

Typical subjects for plan: Step #35

"OTHER" button if curriculum not listed: Step #27

Scrolling down to see lines for more courses: Step #45

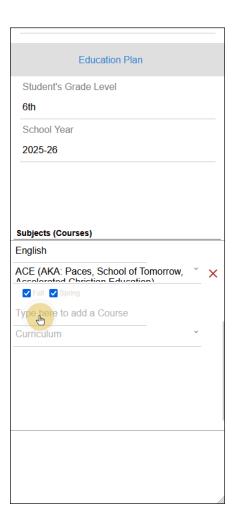

38 Click to enter name of next Subject (Course).

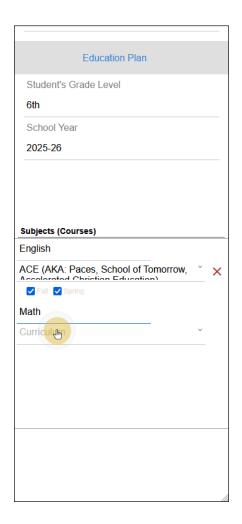

A line for another course is automatically added each time you complete one.

# Click to open menu for Curriculum/teaching materials and select correct curriculum.
